

XM RADIO IS THE BEST FORM OF ENTERTAINMENT THAT HAS COME OUTIN THE LAST 50 YEARS FOR YOURCAR, HOME AND COMPUTER AT WORK. IT'S COMPETITION THAT IS THE BACKBONE OF THE AMERICAN ECONOMY. LET'S NOT ELIMINATE IT. IF REGULAR BROADCAST RADIO CAN'T COMPETE WITH A COMPANY THAT CHARGES \$9.99 A MONTH, WHILE THEIR PRODUCT IS FREE, THEN THEY MUST BE DOING SOMETHING WRONG. LET REGULAR BROADCAST RADIO ELIMINATE XM RAIDO BY BEING BETTER. IF THEY CAN'T, THEN LET XM RADIO ELIMINATE THEM ON A LEVEL PLAYING FIELD.

ONE THE BEST (NEW) REASONS FOR HAVING XM RADIO IS HAVING ACCESS TO INSTANT "TRAFFIC REPORTS" AND "WEATHER REPORTS" EACH AND EVERY DAY. THE TRAFFIC REPORT HAS "SAVED" ME SEVERAL TIMES ALREADY IN ITS SHORT EXISTANCE. XM RARIO IS PROVIDING A PUBLIC SERVICE THAT THE PUBLIC (including your constituents) WANT AS AN OPTION. THE REAL QUESTIONS IS: WHY ARE YOU OPPOSING XM RADIO?
